**Re: United States v. Paul Ceglia,
12 Cr. 876 (VSB)**

Dear Judge Broderick:

The Government writes pursuant to the Court's March 27, 2015 Order requiring that we advise the Court every four months, beginning May 1, 2015, regarding the Government's efforts to locate Paul Ceglia, the above-captioned defendant ("Ceglia"). As was the case on September 1, 2015, Ceglia remains a fugitive – his location, as well as that of his wife and two minor children, remain unknown. The Government, in particular the United States Marshals Service, continues to diligently investigate Ceglia's whereabouts as well as those who may be assisting him in flight, using a variety of law enforcement tools and following up on leads from those responding to requests for information. The Government will update the Court again in four months, unless there are significant developments warranting an earlier notification.

Respectfully submitted,

PREET BHARARA
United States Attorney
